Not all students completed their degree program prior to the transition, but upon announcing the closing of the Glen Ellyn location, Northwood staff met personally with every active student and created degree completion plans to insure that students have achievable options to meet individual educational goals. Options for current students included continuation of Northwood degree program through online delivery, completion of Northwood required courses at local colleges and universities for transfer back to Northwood for degree completion, or a combination of Northwood online courses and transfer coursework from other colleges and universities. Lastly, if at any point during the transition, any student that desired to transfer for degree completion elsewhere, Northwood will assist them in finding other options and obtaining appropriate transcripts and other required admission documentation for seamless transfer.

Records will be maintained at Northwood University's main campus located at 4000 Whiting Drive Midland, MI 48640.
